

NEW DEVELOPMENT IN THE APP:

- Golden rules
- Manger review
- Schemes
- Geo fencing – check in & check out

Golden Rules:

After Log in the Golden rules will be visible for all the Employees for the respective Region

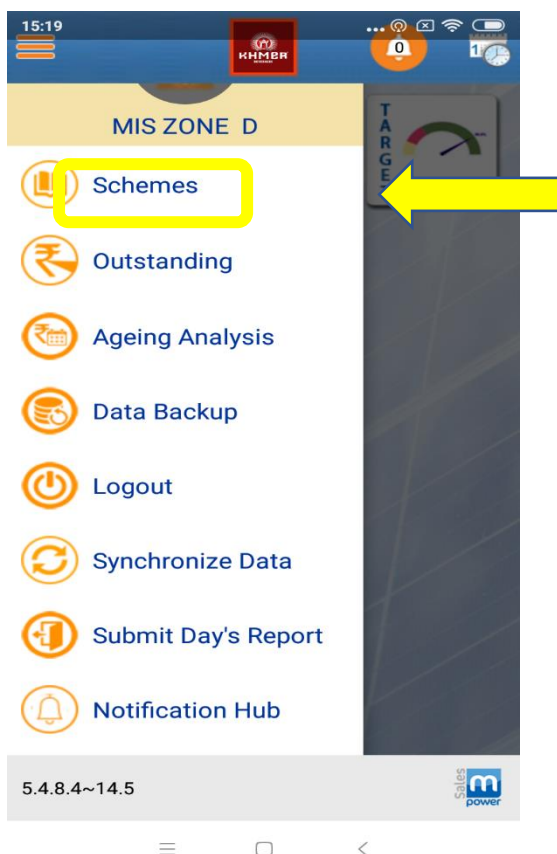

Manager Review: The Bell icon represents the Notification for Manager Review where after clicking you can see the data

A notification will be send to All managers 3 times a day (10:30 AM, 2:00 PM and 7:00 PM) where you can view the attendance and Customer Visit of your Respective Team

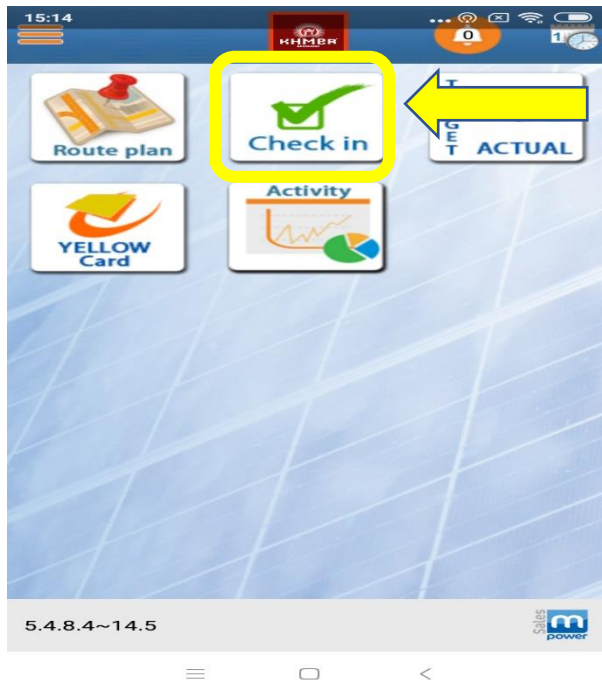

Schemes: In the Menu Section Schemes Are Added. Where the Employee can see the running schemes in his respective branch in PDF

Check IN

For Doing any Stock Audit or Order taking, KYC, MFS for a Counter You need to **check in** for that Counter. After clicking on Check IN It will ask for Select Transaction Type primary and Secondary.

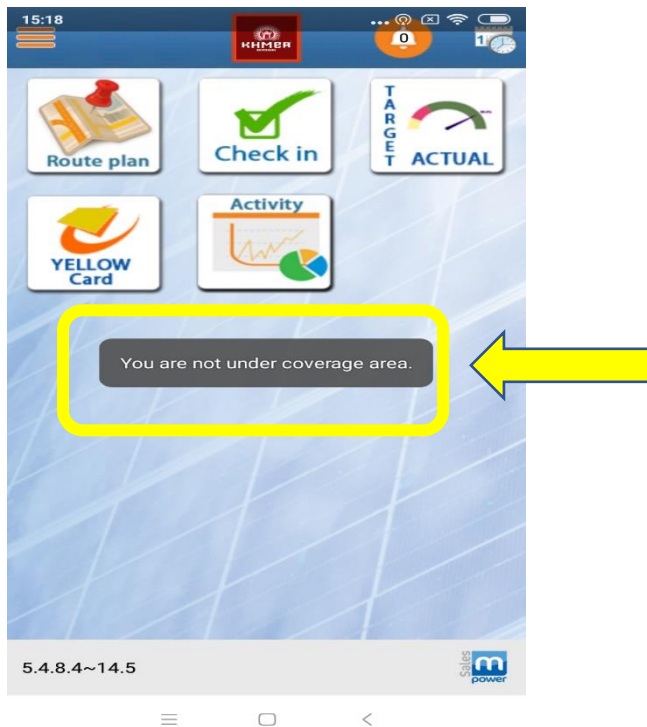

Primary & Secondary:

Primary is for Dealers & Secondary for Sub-dealers and Non-Stars

Geo Fencing: If you are getting a notification that you are not under coverage area it means you are not in front of the Counter. You need to go in front of the customer in 50 Mt radius then only you can visit the counter.

CHECK OUT: You need to Punch all the activities which is required for any counter without doing it will not let you complete the visit. After punching the Activity, you need to check Out
